### World Oceans Day, Doraville Pride Are Postponed at Flowers Pool

In view of weekend weather forecasts calling for thunderstorms, both of Saturday's special events at the Flowers Park community pool -- World Oceans Day and the Doraville Pride celebration -- have been postponed. Plans are to reschedule the events, but new dates have not been set.

Water aerobics classes are scheduled to begin Tuesday, June 11. Classes will be held Tuesdays and Wednesdays from 11 a.m. to noon and Thursdays from 7 to 8 p.m., through Aug. 1.

## Survey Ranking City's Priorities to Stay Open Through Wednesday

Doraville residents are invited to participate in a survey ranking the City's priorities. The six priorities, identified but not ranked last summer by the City Council at its retreat, are: economic development, transportation/transit, infrastructure, well-managed government, neighborhood preservation and housing.

The survey was launched on May 29. It will close at 5 p.m. on Wednesday, June 12, and it can be accessed [here](#).

## SPLOST Funds at Work on Our Streets

The Department of Public Works began a safety striping project this week on Winters Chapel Road from Oakcliff Road to Peachtree Industrial Boulevard. The striping and safety barriers are intended to define the road's center and driving lanes and to clearly differentiate driving lanes from turning lanes.

The Winters Chapel project will be followed by work along Park Avenue and at the intersection of Wheeler and Chestnut drives. All of the work is expected to be completed by June 24.

SPLOST (special-purpose local-option sales tax) is a financing method for funding capital outlay projects in the state. It is an optional 1 percent sales tax levied by counties to fund the building of parks, schools, roads and facilities. Click [here](#) for more information about SPLOST projects in DeKalb County.

## County Officials to Present Transit Master Plan on June 17

An update on DeKalb County's Transit Master Plan will be presented at a work session of the Doraville City Council at 5:30 p.m. on Monday, June 17. To learn more about the master plan, click [here](#).
